

# STAKEHOLDER SIGN-OFF

*For Milestone 1: approval of review deck and pipeline database*

This document is a formal confirmation of the review and approval of the Review Deck and Pipeline Database created for Milestone 1 under the EMURGO Labs x UNDP Accelerator initiative. The materials have been thoroughly assessed and accepted by both UNDP and EMURGO Labs representatives as meeting the required standards and objectives outlined in the milestone criteria.

We, the undersigned, confirm that we have reviewed the Review Deck and Pipeline Database and find them to be in alignment with the expected deliverables and objectives of Milestone 1.

We acknowledge that these materials meet the required acceptance criteria and are approved for further project progression.
